July 10, 2020

Dear Trinity Church Family and Friends,

The Elder Board has approved the recommendation of the Health Committee that we resume church service this week July 12, 2020.

During this challenging time, our goal is to conduct the services in the healthiest manner possible, however, each person should evaluate the information available and choose what is best for you and your family.

The original recommendations below are still in effect with the change for the children 4-8 as outlined in a previous message.

1. If you or someone in your family is sick or has a fever, please stay home.
2. If you are feeling uneasy about attending, please worship with us using digital format.
3. If you are at risk, please stay home.
4. If you plan to attend, please use the following screening tool published by Spectrum Health each week prior to attending.

https://covid19symptomchecker.spectrumhealth.org/welcome?utm_campaign=&utm_medium=email&utm_source=standalone

5. Please visit the check in station upon entering through the main doors. The doors will be propped open or held open for you. To avoid delays, you might consider arriving early.
6. Please sit with your household and observe recommended social distancing.
7. We are using the sanctuary, narthex, restrooms and nursery. Please refrain from entering other areas in the church to minimize sanitation requirements.
8. The nursery is available for parents to care for their children. It will not be staffed.
9. Until further notice, we are suspending the following:
 - i. Sunday School
 - ii. Downtown Children's Ministries
 - iii. Youth Group
 - iv. cookie and coffee time
10. There is hand sanitizer available.
11. Masks are not required, however, if you prefer to wear one, please do so. Disposable masks will be available at the check in desk.
12. There will be a box in the back for giving. You can also give online at www.mytrinitychurch.com or mail to the church.
13. If you would like to socialize after the service, we recommend moving outdoors to do so.

Our plan is to resume cautiously and reevaluate on a regular basis. We look forward to a time of simple family worship with all who can attend.
