

T-90 Questions

Getting Started

- What are some of the most common difficulties we face at work? How have you dealt with one of those in your own life?
- What are common problems in the workforce today?

Digging In

1. We work in a world impacted by sin, brokenness, and evil. In the Bible, our fall from God's grace and into sin is known as the Fall. Read Genesis 3:14-19 and name some of the main effects of sin and evil upon our work.
2. How does the brokenness in people show up in your line of work?
3. How does recognizing the brokenness of work change the way you view your work/ workplace? How does it help to explain the struggles of work?
4. Read Luke 12:15-21. What are the rich man's problems? What is the punch line to Jesus' parable? What does this look like in today's world?
5. Read Proverbs 24:30–34. How does the love for the idol of leisure impact our lives?
6. Which distortion of work is most apparent in your workplace?

Taking It Home

7. Even though sin impacts our work and our workplace, how does God want you to view work? (Remember last week's message)
8. How can you be a positive light for God at work, even though it is messed up?
