## T-90 Small Group Questions

### Getting Started:

- Impact. Is it true that we want our lives to impact others? What things do you want to be remembered for?
- When you hear the word *evangelism*, what thoughts, feelings, or personal experiences come to mind?
- What do you think makes evangelism successful or unsuccessful?

### Digging In:

1. One definition of evangelism is, joining a conversation the Holy Spirit is already having with another person. What does this assume about our role in evangelism?
2. Going in the power of the Holy Spirit to help bring a person one step closer to Christ. What does this say about evangelism?
3. Read Matthew 4:19; 28:18-20, Acts 1:8, 2 Corinthians 5:20 How do we know God wants those of us who are his followers to share the message with people around us?
4. The journey to Christ involves a multitude of mini-decisions. In what ways does our awareness of this process affect how we approach non-Christians?
5. Familiarize yourself with the Engel Scale that was given at the sermon. Discuss the role trust plays in each of the phases.
6. According to the Engel Scale, what are some ideas you can do for each number that might move a person one step closer to Christ.

### Taking It Home:

7. Think of a person in your sphere of influence. Without saying their name, where do you think they are and why?
8. What would be one way you could help them to the next step?
