- What was your most memorable vacation? Why?

**Digging In:**

1. Read 1<sup>st</sup> Samuel, chapters 4-7.
2. Have you ever thought something that turned out to be wrong that affected your life?
3. Have you ever forgotten something that, if you had remembered it, would have made your life less stressful?
4. What worldly practices or philosophies have been embraced today in Christian circles that have had a detrimental effect to the Church?
5. How can we use an Ebenezer in our life? (In our circle of friends, in our church...).
6. What are the positives of looking into our past experiences in our life?
7. How do we leave Ebenezer Stones in the present?
8. How does the Ebenezer help us in the future deal with the present? How does this hope fit in?
9. If repentance moves us to concrete action, can the same be said also of faith?

**At Home:**

- Ebenezer is a helpful reminder of the value of recalling God's past deeds of grace and love to us. Meditate or make a list of them to thank Him for!
