We are called to be God's ambassadors. God wants to use us to help the people of the world find reconciliation with Him. Evangelism is extremely difficult these days and yet, with guidance from God's word and Spirit, we all can become effective ambassadors.

1. Imagine if the U.S. government recruited you to be an ambassador. If you were given the chance to choose the country where you would serve as ambassador, which would you choose? Why would you choose that country?
2. Read 2 Corinthians 5:18-21. Why do reconciled people make the best candidates to help others be reconciled to God?
3. Can you think of a Christian who is a compelling ambassador for Christ? If so, why do you see them as compelling?
4. What makes you feel uncomfortable about being God's ambassador to your co-workers and friends?
5. We were called to BLESS people with the Gospel. Do you remember what B.L.E.S.S stands for? What aspects have you engaged in with those close to you?
6. We are called to Begin with Prayer. Who can you pray for right now? What might be some next steps?
