Questions to think about...

1. Read Matthew 2:1-2. What would be the most difficult part of the wise men's 1000-mile journey?
2. The Magi were likely outsiders—Gentiles from a distant land. Why do you think God chose them to witness and respond to the birth of Jesus? What does this teach us about who is welcome in God's plan?
3. The Magi were willing to travel far and search diligently to find Jesus. What does their journey teach us about seeking God in our own lives?
4. The Magi said they were looking for the "King of the Jews" because they had seen His star. How do you "see" God leading you today?
5. How have you seen God lead you through His Word, the Holy Spirit or prayer?
6. The Magi came to worship Jesus, bringing gifts. What does worship look like in your life?
7. How can you seek to develop a closer relationship with God?
8. What gifts—time, talents, or resources—can you offer to Jesus in response to His greatness?
