We all have _____ in our head

Every day can be like Christmas when we...

intentionally _____ every _____ to the _____

What do I _____ about God

_____ of my _____

Every day can be like Christmas when we...

really _____ who _____ is.

experience the _____ of our _____ with God

Application: think of this as two trees.

1. Identify one wrong soundtrack that is playing in the background.
2. If this wrong soundtrack is true, what do you **WRONGLY** believe about God. How have you made God into a false idol?
3. Take a moment to confess these wrong thoughts about God.
4. What is a scripture or two that would refute this wrong soundtrack and give you the right soundtrack?
5. Take a moment to thank God that this is true.
