Questions to think about

1. What is something in your life right now where you don't know how things will work out? What would it look like to simply take the next step with Jesus?
2. Have you ever worried about a problem only to discover that God had already been working in ways you couldn't see? What did that experience teach you?
3. What difference does it make in your everyday life that you are following a living Savior, rather than simply trying to live by Jesus' teachings?
4. Following Jesus eventually requires movement. What is one next step of obedience you believe Jesus may be asking you to take right now?
5. What tends to keep you from taking that step—fear, comfort, busyness, uncertainty, control, discouragement, or something else?
6. Mark 16:8 says the women were trembling and afraid. What do you learn from their response about following Jesus when you don't feel confident, courageous, or spiritually strong?
7. What is one thing Jesus has been showing you that you need to believe, change, surrender, or do? What will taking that step look like this week?
